Introduction

Everyone is welcome at our meetings. We have a wide range of activities to interest all ages and levels of photographic skills. Our programme includes:

- Talks and presentations on photography by leading professional and amateur photographers.
- Print and Digital image competitions, both internal and with other clubs.
- Workshops and demonstrations of camera and software techniques.
- Informal gatherings, special interest groups and social events.
- A summer season of less formal meetings in June, July and August.

The club is a member of the Southern Counties Photographic Federation. We enter competitions with other clubs in the Federation and enter the Federation's annual exhibition.

We pride ourselves in catering for all standards of photography, and in helping members to learn and to get the most enjoyment from photography.

Meetings are every Thursday from 7:15pm for 7:30pm start at The Royal British Legion, Haig House, Pelican Lane, Newbury RG14 1NP (01635-47415) Refreshments are available from the bar during the evening.

Fully paid-up members of Newbury Photography Club (NPC) are automatically enrolled as associate members of Newbury Royal British Legion (RBL) Social Club.

Membership

Annual Membership rates £100 single members and £190 joint members. £35 for concessionary & junior members (under 18 years). Visitor's fee is £3 per evening.

Internal Competitions – Members Only

Internal competitions are arranged in one Group/League. This seasons Internal League has 4 rounds of up to 3 prints and PDI images per Member per round, **all scores count**. Whilst prints are presented in 500 x 400 mounts, a PDI is also required. PDIs use sRGB colour space in JPG format and are resized as 1600 x 1200 pixels for landscape and 1200 high for portrait. Upload competition PDIs for Prints and PDIs on the PhotoEntry system at least one week before the competition date.

PDI File Naming Convention
